Serving kids and families

Thank you, parents, for attending the Easter Event, Rise Up! It was an awesome time, and we had the opportunity to say, "Hello and Happy Easter" to many families from Kids Branch and Kidzone (The Bridge) as well as new families from the community. It was also amazing to see our teens and adults lead the activity stations. They helped to make it a truly special moment and a special Easter. After enduring a long cold winter regathering together for Rise Up truly felt like a celebration and that Spring was here!

Well done, my good and faithful servant. You have been faithful in handling this small amount so now I will give you many more responsibilities. Let's celebrate together!

Ephesians 5:2

Your kids are important to us in our ministry, but we could not do it without our Kids Branch leaders. They help to make our classes fun and help connect the stories your kids hear during our Bible story time to their lives. By engaging in meaningful conversations and relating to your child's needs they are able to communicate that God loves them. Their commitment and love for our Kids Branch kids doesn't go unnoticed. They are planting super seeds of faith in your kid's heart and as they do I believe God is smiling, giving them energy and all the skills to lead while showing them just how much He loves them too!

A big "Thank you" to our leaders as they serve as Jesus does!

Happy May!

Miss Anne
