

Good morning parents!

We hope you and your family are having a great start to the March Break. Today we are starting a new curriculum series, Foundations of Faith, and will be exploring the question 'Who is God?' from now until the end of June. We hope that as we explore what the Bible says and your kids develop a better understanding of the core ideas of our faith that they will have a solid foundation for their own relationship with Jesus. Today your kids will be reminded that God is real. We encourage you to build on the lesson from this morning and talk with them about how God has made himself known to you throughout your lifetime. A song that is a great reminder that God is real is '[God is on the Move](#)' by 7eventh Time Down. It is a reminder that God makes himself known by moving in and through people. As a family enjoy being on the lookout for God this week and how he is on the 'move' and making himself known to us.

Just a reminder that the information and registration for our Summer Camp and our Rise Up family Easter event can be found on our website. Both of these are great opportunities to invite friends. For more details go to [KIDSBRANCH.CA](https://www.kidsbranch.ca).

We find it a great joy to serve your family and to walk alongside you. We are here if you are in need of prayer or support. Or if you know of another family in need of support, please let us know how we can be of help. Don't hesitate to reach out!

### **Worship Suggestions**

During worship encourage your kids to sing, follow along with the actions, have a dance party or just listen and think about what the words say who Jesus is and who we are to him. All of these are ways that we can express our joy and love for God.

- Play "Confidence" - [https://youtu.be/Bu\\_4y7KpiVU](https://youtu.be/Bu_4y7KpiVU)
- Play "My God is Number One" - <https://youtu.be/Kz-x7dMUeX8>

**Bible Story Suggestions – Moses and the Burning Bush (Exodus 3:1-4:17)**

Parent Recap: Moses is tending his sheep when he sees a strange sight: a bush that's on fire but not burning up. When he goes to investigate, he hears God speak to him and sees God give clear signs of who he is. Moses' encounter makes it clear that God is real.

### **Preschool/Kindergarten Activities**

- Try out this [experiment](#) to help your kids learn what fire can do and how amazing God's power was and is
- [Dig Deeper](#) and take time to talk about the clues God places all around us to help us know that he is real.

### **Elementary Activities**

- Try out this [experiment](#) (with [handout](#)) to help talk about the memorable things God has done to show us he is real.
- [Dig Deeper and talk](#) about how we can experience God without seeing or touching him.

### **Throughout the Week**

- Light a birthday candle and sit around it as a family. (Make sure only parents handle lighters or matches, and address any fire safety tips as needed.)
- Watch as the flame melts the wax and consumes the candle.
- Talk about what flames normally do and why the burning bush was so unusual.
- Share evidence *you've* seen that God is real. We like to call those God Sightings!

### **Pray Together**

Pray:

“God, because you are real, help us see you at work.

God, because you are real, help us feel you with us.

God, because you are real, help us hear your voice.”

### **Memorize Scripture**

“O Lord, our Lord, your majestic name fills the earth! Your glory is higher than the heavens” (Psalm 8:1).
