

Good morning parents!

We hope you and your kids had a good week. Throughout the past few weeks, we have been enjoying discovering the answer to the question, 'Who is God?'. Today we will be reading about how God kept his promise to Abraham and learning that God is faithful. Throughout the week we encourage you to talk about the things that you can rely on and what it means to be faithful, to keep your word or promises, to help make this lesson stick. We pray that throughout the week you will have some great conversations that will help your kids remember that God is faithful and how they can be a reflection of God and keep their promises.

Worship Suggestions

During worship encourage your kids to sing, follow along with the actions, have a dance party or just listen and think about what the words say who Jesus is and who we are to him. All of these are ways that we can express our joy and love for God.

Bible Story Suggestions – God Promises and Gives a Son to Abraham (Genesis 15:1-7; 21:1-7)

Parent Recap: God promises to give Abraham descendants as numerous as the stars in the sky. Years go by, and Abraham and his wife, Sarah, are very old, but finally God keeps his promise. Sarah gives birth to a baby, and Abraham names him Isaac.

Preschool/Kindergarten Activities

- Get creative and make this [counting helper](#). Not only can it help your kids practice their counting, but also remind them of how God was faithful to Abraham and is faithful to us.
- Take a snack break and [Dig Deeper](#) into today's lesson to help your kids learn that we can patiently wait for God to keep his promises, just like Abraham did.

Elementary Activities

- Try out this [centrifugal force](#) experiment to help your kids remember that God sticks with us no matter what.
- [Dig Deeper](#) and talk to your kids how God's faithfulness can help them in their daily lives.
- Play a [game](#) of estimating the passing of time. Use this game to discuss how God is faithful to keep his promises.

Throughout the Week

- As a family, make a list of five things you can count on happening or things that don't change. Here are some examples to get you started: $2+2=4$, the sun will rise and set each day, seasons change, the dog barks when the doorbell rings.
- Now list five things you can count on God to do, such as love and forgive you. Thank God for those promises and ask him to help you trust in his faithfulness.

Pray Together

Thank God for being faithful. Ask God to help each person to reflect who God is and be faithful in the commitments and promises they make.

Memorize Scripture

"O Lord, our Lord, your majestic name fills the earth! Your glory is higher than the heavens" (Psalm 8:1).
